Share the road

Share the road and share the responsibility for making your bicycle trip a safe one. Connecting to destinations by bicycle has become easier with the addition of the cycle track network, more on-street bicycle lanes and additions to our extensive regional pathway system.

Types of on-street bikeways

- Cycle track
- Bicycle lane
- Neighbourhood greeway
- Shared lane
- Signed bicycle route

Moving together

- Respect all road users
- Intersections, alleys and driveways
- Multi-use crossings
- Dashed green pavement
- Green bicycle boxes and bicycle turn boxes

On street cycling

- Your bicycle needs
- Signal your turns

On the road

Share the pathway

Share the pathway and share the responsibilities. For information about pathway closures and detours, download the Pathways and Bikeways mobile app, or view the online map at calgary.ca/pathwayclosures.

- Obey the speed limit
- Yield at pathway intersections
- Keep to the right
- Be alert
- Use the appropriate path
- Respect nature
- Control your pet
- Inline skating
- How to lock up your bicycle

Use Calgary Transit, Park 'n' Bike and secure bicycle parking options to explore the city. Here's how:

- Bicycles on CTrains
- Bicycles on buses
- Calgary Transit bicycle parking
- Park & Bike
- Secure bicycle parking downtown
